Using method

- ✓ Once a week, pour the contents of one **Berling'O** into the pool.
- ✓ Then leave the filtration system to run for a few hours.
- ✓ After 4 weeks of treatment, we recommend to replace pool water or to use « **Rattrapage eau verte** » (green pool rescue).

Safety

Berling'O (before dilution) is irritating to eyes, respiratory system and skin. Moreover, it is hazardous for the aquatic organisms. Risk of eye lesions.

Keep out of reach of children

Avoid contact with skin and eyes

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

Do not empty into drains
