Child proof	No
Box : Kraft + label	Yes
Printed	No
Of	4 bottles
Delivered on Euro pallets of	32 boxes x 4 bottles = 128 bottles

Using method :

- Clean the area to be treated with an efficient cleaner (**REVA-SOL Alkaline** or **REVA-SOL Extra**, pure or diluted).
- Rinse this area with plenty of water
- Spread the **Surface Disinfectant** prepared with a watering can or, better, a spray.

Warning !!!

- The **Surface Disinfectant** *may* leave traces on shiny materials
- Avoid as much as possible to put product into the pool
- If the system used (spray, ...) generates a « fog », avoid breathing it. Use a protective mask.

Using doses :

Dilute the product 10 times

Example : to prepare 10 litres of « ready to use » disinfectant :

- Add 9 litres of tap water (not pool water)
- Complete up to 10 litres with 1 litre of **Surface Disinfectant**
- Mix well
- Use.

Safety :

The **Surface Disinfectant** is irritant to the eyes, respiratory system and skin. It is toxic to aquatic organisms and may cause long-term adverse effects.

- ◆ Wear suitable gloves and eye/face protection.
- ◆ In case of contact with eyes, wash immediately with plenty of water and seek medical advice.
- ◆ Avoid contact with skin and eyes. Wash hands properly after handling.
- ◆ Keep out of reach of children.
- ◆ To avoid any accidental swallowing, do not eat, smoke or drink during use.
- ◆ Do not mix with other chemicals.
- ◆ If swallowed, seek medical advice immediately and show the label or packaging.
- ◆ Rinse the empty packaging with water (rinsing water to sewer) before disposal.

Storage :

- Store in a cool dry place.
- Close container well after use.

Composition :

PolyHexaMethylene Biguanide and didecyldimethyl ammonium chloride

Shelf-life : 3 years
