

# FIRST - ALGICID

## Compatible with all chlorine based treatments

- **FIRST-ALGICID** is a multifunction product. It contains :
  - Two algaecides, to prevent algae growth,
  - A flocculent, to have a crystal clear water,
  - An anti-fur, to inhibit calcium precipitation, which causes cloudiness and deposits.
- Combined with a chlorine based treatment, using **FIRST-ALGICID** allows to reduce chlorine consumption : maintain chlorine level between 0,6 and 1 ppm. At this level, chlorine is only bactericide, and the algaecide action is made by **FIRST ALGICID**.  
**FIRST ALGICID** reduces then the problems caused by chlorine.

### Packaging description :

	<b>1L</b>	<b>5 L</b>
Bottle : colour	Natural	White
Height	250mm	291mm
Label	155x233 graduated	160x125 R/V
Visibility line	yes	No
Tactile symbol	yes	Yes
Cap: Colour	White	Blue
Child proof	Yes + gas relief	yes + gas relief
Box : Kraft + label	Yes	Yes
Of	6 bottles	4 bottles
Delivered on Euro pallet of	420	112

### Using method :

Treat once a week, on Saturdays for example :

- 1- Backwash filter, clean pump strainer, skimmer baskets and clean pool.
- 2- Pour **FIRST ALGICID** in front of the outlets (with the filtration system running)

Dose (preventive treatment) : 1,5L of FIRST ALGICID per 100 m<sup>3</sup> or 1Litre per 70 m<sup>3</sup>

- 3- Add the oxidising product (see using method on the technical data sheet of the oxidiser used).

NB: check chlorine level and pH regularly.

### Safety :

**FIRST ALGICID** is irritant to skin and eyes. Moreover, it is toxic to aquatic organisms.

- ◆ In case of eye contact, wash immediately with plenty of water. Seek medical advice in case of irritation.
- ◆ Avoid skin contact. Wash hands properly after use.
- ◆ Keep out of reach of children.
- ◆ To avoid any accidental swallowing, do not eat, smoke or drink during use.
- ◆ Do not mix with other chemicals.
- ◆ Do not put residuals in sewer.
- ◆ If swallowed, seek medical advice immediately (show the label or packaging).

**Preservation :** Store in a cool dry place.

Close container well after use.

**Composition :** This product contains algaecides and other active materials
