Bottle: Colour	Natural
Height	245mm
Label	150x233
Visibility line	No
Tactile symbol	Yes
Cap: Colour	Blue
Childproof	Yes
Box: Kraft + label	Yes
Printed	No
Of	12 bottles
Delivered on Euro pallet of	50 boxes x 12 = 600 bottles

Using method :

- This product must be put directly into the pool in front of the outlets in small quantities to be adjusted according to the effect wanted.
According to the effect wanted, you have to add:

From 0.25L to 1L of STOP-MOUSSE for 100m³ of pool water

It is recommended to pour in several times, in order to let enough time to the product to disperse on the surface.

- **STOP-MOUSSE** makes water less crystal clear for some time; leave the filtration system to run continuously until the water has become crystal clear again.
- **Activity** : several weeks according to frequentation.

Safety :

STOP-MOUSSE does not induce any particular hazard, however we recommend to:

- ◆ Keep out of children.
- ◆ In order to avoid any accidental swallowing, do not eat, smoke or drink during use.
- ◆ Do not mix with other chemicals.

Storage :

- ◆ Store at ambient temperature.
- ◆ Keep away from frost and very hot temperatures.
- ◆ Close container well after use.

Shelf-life : 18 months
